S.D. SEC. OF STATE

Kea,

As per our phone conversation yesterday, this email will serve as written notification that the South Dakota Action Committee for Rural Electrification filed the State of Organization in error. The original Statement of Organization was filed on August 8, 2007.

Because the South Dakota Action Committee for Rural Electrification is a federal political action committee we will not file the Campaign Finance Disclosure Statement with your office.

Thank you and please contact me with any questions.
